

Chapter 12.44

Address and House Numbers

Section:

12.44.010 City engineer to fix numbers.

12.44.010 City Engineer to fix numbers.

It shall be the duty of the City Engineer to establish and designate all address and house numbers within the city limits of the City of Snohomish and to give any owner of the frontage concerning such address or street number, and such other persons as may be appropriate, proper notice of the number allocated. (Ord. 352, 1911; Ord. 970, 1965; Ord. 1198, 1973)
