The committee was successful in a recommendation from the lodging tax committee for \$2,000 to prepare a marketing campaign at Galaxy cinema in Monroe. The messages would then be repurposed for TV or Radio.

HISTORY/EDUCATION:

Middy reported that the display planning is coming along well. She pointed out that the display will not only be the school photos but also exhibits that relate to the history of the area including logging, farming, sports, Native Americans and others.

The display case at the entrance to the library has been reserved in January and February.

The cemetery tour may be scheduled for Memorial Day weekend.

SPECIAL EVENTS:

The January kick off event is being planned by Jeff and Todd. They will coordinate with Everett on the special events permit and assemble the participants for the event.

The March 7th birthday planning is going well. The Senior Center has been asked to host a Community Pancake breakfast from 8:30-10:30am. Dave Dilgard will share stories at the Library from 11am-Noon. The festivities will then transition to the Snohomish Soccer Dome for the rest of the day. The suggestion was made to invite the Snohomish and Glacier Peak High School jazz bands & choirs to perform as well as other local performers such as Eleanor Leight.

Debbie shared information for a proposed Snohomish night at the Silvertips on February 21st. Committee stated that this event should be pursued.

Judy stated that the Kla Ha Ya Committee is looking for someone to head the all classes reunion committee.

Meeting adjourned at 8:30pm
