| Service Type | 2007 | 2008 |
| Co-Mingled Recycling | 8.00 | 9.78 |

On February 19, 2008, the City Council approved a contract extension for three years with Allied Waste. The rates have been adjusted for increased operating costs and become effective April 1, 2008. Allied Waste has increased their rates by an average of 20.49%.

Allied Waste's costs over the term of the prior contract have greatly outpaced the previous rates. Fuel was up 115%, total operating costs were up 47%, and labor was up 13% since the beginning of the contract. In comparison, over the same time, the consumer price index adjustments had risen only 12%. Labor and vehicle expenses alone accounted for 81% of the total increase over the past years.

The rate table lists the new rates and the old rates.

Allied Waste will be mailing an informational flier to all City garbage and recycling customers with useful information on ways to maximize the benefits of their services. There will also be information on the **new program of putting food scraps and food soiled paper in the yard waste cart.**

Two Community Wide Clean-up Events Each Year:

Allied Waste and the City are collaborating on two community cleanup events to be held each year. This will be a great chance to get rid of all of that old stuff you've been storing in your garage. Look for more information coming to you soon!

To change or add service please call City Hall
(360) 568-3115

For missed service please call Allied Waste
(425) 778-0188
