2010 City of Snohomish Sports field use scheduling

The City of Snohomish invites your organization to apply for the 2010 season scheduling of the City of Snohomish Recreation Sports Fields at Pilchuck Park.

Each year the scheduling of our sports fields grows more competitive. Wanting to be good stewards of our responsibility and due to Parks Board and the communities desire to see that local youth are assured use of local sports fields, we have implemented a local organization and youth friendly approach to scheduling our sports fields.

The City of Snohomish currently has 3 baseball fields and one utility field for other uses.

Field 1 has 80 or 90 foot baseline and can be lit for night games.

Field 2 has 60 and 70 foot baseline.

Field 3 has 80 or 90 foot baseline.

Field 4 uses the outfield of fields 2 and 3 for soccer, football, lacrosse etc.

All fields are recreational use only.

If you would like a field use application you can either pick one up at City Hall or print a copy from the City of Snohomish web page at: ci.snohomish.wa.us, go to forms and applications then miscellaneous forms, click on Pilchuck Park Field Use Application. Please follow the directions on the application thoroughly.
